# Artists-In-Schools Programs Registration Form

Please complete the form for all programs your class wants to attend, and ***turn this form in to the Art Contact at your school by September 16, 2011***. If you don't know who your Art Contact is, check with the school office. Your Art Contact will compile all requests for your school and submit those requests to the Caldwell Arts Council.

This form serves as a COMMITMENT by your class/school to bring and pay for the stated number of students (+/- 10% due to transfers/absences) to attend the performance(s) selected. Please be sure to get required permission before you apply.

All 3rd graders will receive the performance by the ASU Steely Pan Band (October 21) and do not need to register; other grades desiring this show need to register.

Hibriten, South Caldwell & West Caldwell High Schools will receive a performance by Glenis Redmond ("Poetic Dialogue: Talking Back) in their school November 1-2. You will be notified of performance date and time.

All teachers, Kindergarten through 8th grade, are REQUIRED to send your students to at least one Artists-In-Schools performance at the J.E. Broyhill Civic Center.

| Title of Performance | Date of Performance | Preferred Time (9:15, 12:30) | Number of students | Cost per student | Total Cost Commitment |
